Foreword

- Our last memorable year at W. C. H. S. has passed. The WECOMI is our diary of the memories we want to keep, the little incidents and little intimacies that will linger with us through the years. It is a book to take off the shelf when our high school years are just faint remembrances.

The Senior Class dedicates the '44 WECOMI to all those persons who have made our high school years what they were, the teachers with their classroom antics and helpful advice, the obliging janitors, our classmates, some of whom will be our life-

long friends, and our parents, not only our own parents, but those of our friends, like Mr. Hugh Coats, our number one fan. These and innumerable others are part of our memories forever.

The WECOMI staff wishes to acknowledge with full appreciation the help given to us by Mr. Orlin Kohli, the DAILY JOURNAL, and Mr. D. C. Burger, all of whom gladly came to our aid in times of need.

THE COACHES

- "Bud" Colin's easy smile; his quiet, calm manner; his jokes shared with the boys; his one-year-old son, Butch, helping the cheerleaders at pep meetings; his habit of tearing candy wrappers in tense moments?

Mr. Lowry walking, hands in pockets, down the hall; keeping the boys alert on the practice field and at games; his ever-present pad of paper and the hurried conferences with Mr. Colin; his sleepy, boyish smile?

The Game Is On.

Max Has His Say.

- Remember the first home game of the season, which we lost to York, and the next one at Sycamore, which we won? You'll remember, too, the Geneva game, when Keyes cut loose and Krewson ran over everybody in his way, including his interference. Then, in spite of Denny's touchdown in three plays, we lost to St. Charles by 6 points when her captain outpassed us. In the Batavia game Denny ran back the opening kick-off to start a score which mounted to 35 points. Wheaton won from Dundee without memorable incidents, but in the Marion game Doc Hopf starred as he successfully blocked Durant, who was running for a touchdown. Though big Don Patterson threw the little West Chicago boys around in all directions, they knocked our championship hopes by outplaying us on a muddy field and winning by 5 points. With Maggie's line playing and Bassett's and McQueeney's touchdown runs, however, we finished the season with a 12 to 7 victory.

You'll remember other things like freezing temperatures on late fall nights, the three-deep line all along the wire, Dr. Jones climbing the fence to answer a call for help during the Marion game, the dance for the Marion boys after the game, the announcement "No more hot dogs" from the refreshment booth just when you were about to collapse from hunger.

Karner in the Clear.

- If your mother insisted on your having dinner with the family, you may have missed most of the games played by the Tiger Cubs, but you probably arrived in time to hear a voice broadcasting a victory over Sycamore, Batavia, West Chicago, and Glenbard; a defeat by York, Geneva, St. Charles, and Naperville; or a tie with Dundee. Except for the final score, about all you knew of the games was a remark you overheard about Sublett's tackle or Karner's run.

Varsity Basketball

● Top row: Searight, Tompkins, McQueeny, Fairbanks, Erickson, Vear, Stevens (manager).
First row: Beutjer, Brunick, Duncan, Mr. Colin, Brown, Storck, Duskin (manager).

- Will you ever forget Krewson's skill in rebound and defensive play, especially in the Dundee game; Vear, on the beam most of the time but especially in the West Chicago game; Denny's last game, at Glenbard, when he confounded the entire opposing team with those tricky, behind-the-back passes; Brunick's uncanny shooting ability and that one-hand push that he perfected; Storck's regular job of guarding the opponents' high scoring man; and McQueeny's habit (whenever he wasn't stretched out on the floor) of casually making those seemingly impossible shots?

Remember the game at Batavia, when most of the team went out on fouls; those close contests with St. Charles, Sycamore, and Batavia, which we won or lost by one point; Joe Reinhardt, stuck with the cheerleaders after the Sycamore game; the little towel cart that went scooting across the floor at the breath of a whistle; Manager Warny out with his broom for his between-games housekeeping; Ted, forgetting that his mike was on, mumbling his disgust when the opposing team scored?

First row: Kletschke, Mize, Patterson, Mount, Karner, Wilder.

- It was a good season for the Little Fellows, with their final score of 13 games won, 4 lost. They had some exciting contests. At Sycamore, for instance, they were 10 points behind at the half but won, 30 to 27, and they defeated Glenbard by one point in an overtime game.

Remember Patterson, reaching up and dropping the ball through the basket every time he hurried by; Mize, grabbing every loose ball on his half of the floor; Impey, noticeably uncomfortable in any pants but Krewson's; Manager Gary, going home with Kletschke's keys, leaving Karl and his locked car in Naperville for the night; the ahs and groans as a free throw was made or missed; the band cheering noisily in the balcony; shouts of "Shoot! Shoot!" as the hands of the clock indicated the last few seconds of play; the dances after the games with everyone gathered around to hear the violins when the Dance Band played "Holiday for Strings"; the sinking feeling you had when you realized that the last home game was over?

Track

- Top row: Trescott, Mr. Hodges, Jacobsen. Fifth row: Brunick, Durant. Fourth row: Sublett, Searight, Gaylord, Patterson, Krewson, Vear, Mize. Third row: Zarbock, Berry, Tompkins, Edwards, Anderson, Fitzner, Brown, Callinan. Second row: Duskin, Keys, Mount, Wessells, Gibson, Costin, King, Matula. First row: Liebig, Burmeister, Gilbert, Anson, Cross, Steele, McAssey.

- Track seemed at times to be in season the year 'round. Even in November one could catch Anson, Zarbock, Costin, and Lacey in a cross-country run; and after school on clear, cold days Barton, Roy, and Tom Callinan, all wrapped up, ran 'round and 'round the circle, keeping in form. Remember those hurdles in the lower hall where a few agile performers practiced their steps in blustery weather? Close on the heels of the robins came Mr. Hodges with Callinan, Anson, and Zarbock out for the mile and the half, Vear for the half, Tompkins and Edwards for the quarter, Callinan and Searight for the hurdles, and Durant and Brunick for the shot and the discus.

Later in the spring came the Wheaton Relays with the all-school election of the queen and her attendants to present the trophies to the winning teams. In 1943 Wheaton ranked fourth in Class B of these relays, third in the Little Seven meet, and third in the DuPage County.

Tennis

- Remember the tennis team, so young and so enthusiastic? In its second year, coached by Mr. Lowry, it scheduled — and lost — matches with full-grown teams like Oak Park's and Hinsdale's, but won from Joliet and Marmion. Shillinglaw reached the semi-finals in the district tournament.

● Tennis Teams: Whitehead, McCarthy, Shaner, Wilder, Reinhardt, Siegel, Shillinglaw, Mr. Lowry.

Baseball and Intramurals

- Mr. Colin's 1943 baseball team won 5 games, lost 8, and had its money's worth of fun. You fellows who played will remember a small out-of-town diamond with the right field under an oak tree, center in a sewer trench, and left out of sight in the valley below; a Buick with the horn of a streamliner, sounding in Denny's ear just as he was winding up to pitch; and the fly Kroning caught in the lagoon at the North Side Park. Then there were the Intramural basketball teams, drawn by lot and scheduled to play each other in two rounds of games from Christmas vacation through February. Mr. Garner supervised the games.

● **Executive Committee**—Standing: Hyde, Wilder, Hanson.

- WILL YOU EVER FORGET trying to remember correct procedure during meetings; thinking up last minute reports; adding your bit to heated discussions on whichever problem came up; prolonging the meeting so you wouldn't have to go back to home room; wandering out of the library a few minutes before the bell rang so you could be first in the lunch line?

Public Welfare Committee—Sitting: Rohrs, Strassenburg, Sayre, Schmitt, Langan.

Pep Committee—Standing: Vear, Grove, Durant, Duskin.
Social Committee—Sitting: Edwards, Ruggles, Tullar, Mason, Rieser.

- The variety in pep meetings this year due to the newly organized Pep Club, which sponsored such attractions as the Dance Band playing as you entered, competition in cheering sections, and the boogie-woogie contest; trying to walk out of last period class fifteen minutes early without anyone's noticing that you were not in the band; the reception Denny Bassett got when he was home after boot training; the peculiar words you mumbled when singing the Pep Song; and Bartie Anson leading the band?

The Juniors Win the Bond Drive.

- Hunting out all your old **Readers' Digests** and bringing them to send to service men, then paying your nickel and handing in the name of your favorite soldier; Lois' forgetting the order of the program when new members were sworn in; the two or three brave souls who took turns seconding motions in the Student Conference assembly; trying to use advanced algebra to figure out a more convenient lunch line and coming up with something no one could understand; urging your home room to distinguish itself in the Community Chest drive; chasing people all over school for their contributions?

Mr. Roberts Swearing in New Members

- The little band all over the halls advertising one party or another in the Student Conference campaign; the slogans pasted on walls, chairs, boards, and even ceilings; the multitudinous line of followers rooting for Dave Coats; the appearance of the same people for several candidates; Socrates Debes' oration; the trouble the "Dark Horse" had staying together because the tail end couldn't see where he was going; getting out of study halls to vote in 212; impatiently awaiting the final results; and Tom Callinan's boom in business, due to the demand for little slogans by all the parties?

- **Candidates for Student Conference Offices:** Carlson, LeGrand, Coats, Anson, Year, Debes.

Class of '44 In Service

DENMAN BASSETT
U. S. Navy

- In 1944 boys were choosing not colleges but branches of the military service for the next year. Some of the boys were in uniform even before their senior year started; others left during the year. At the end of the first semester eight boys of the Class of 1944 were in military service. In addition to those whose photographs are on this page, we had Dick Burghardt, Angelo Sico, and John Roberg in the army.

- The service flag on the north wall of the auditorium was one of our prized possessions. At the beginning of 1944 there were 606 stars on it, the five gold ones placed for Philip Hadley Fox, Thomas E. Morris, Herbert G. Nickerson, Gene Breckman, and Raymond Moershall.

Many a time the flag looked down on alumni in uniform returning to tell us of their experiences in the service, to express their appreciation of their school, and to advise us to work harder while we were still there. Some of them spoke in assembly. Lieutenant Tom Ball of the Navy described dog fights between Jap Zeros and American planes. Lieutenant Wilbur Hattendorf of the Army Air Corps told us of a flight from Iceland to North Africa and of the Mediterranean raid in which his brother, Lieutenant Richard Hattendorf, was seriously wounded. Major Robert Nicholson, in charge of communications on Admiral Turner's staff, gave an account of the Marines in action.
